Dear Friends,

Thank you for your faithful prayers and support for our radio ministry. Your partnership in ministry is helping us to broadcast the gospel to the unreached.

Our Coworker in India Records Tamil Programs for Broadcast

In India, 70.5 million people speak Tamil, many of whom are unreached. Please pray for Pastor Samson Roberts and his coworkers in India as they produce gospel radio programs in Tamil, Hindi, Telugu, and Oriya and for the shortwave broadcasts of these programs on HCJB-Asia and Bible Voice Broadcasting.

Thank you for prayerfully considering our ministry during the summer months as our financial needs increase. God bless you!

Note: Our English broadcast can be heard anytime on your smart phone. Just input m.oneplace.com/ministries/watchman-radio-hour/ in your phone browser. Our Spanish broadcast is also available on your smart phone at m.oneplace.com/ministries/nuevo-dia/ You may also listen via your computer at the same addresses except replace the “m” with “www”.

Visit www.watchmenradio.org/donate2.htm for information on giving to radio missions.

Yours in His Service,

J. A. Dodson, President

Reaching out to the peoples of the world with the gospel of Jesus Christ
