Dear Friends,

Thanks so much for your support and prayers for our radio ministry. Your partnership with us in reaching out to the unreached is a great encouragement to us.

Our Vietnamese Program on TWR 360

The above screen shot is from the TWR 360 web site showing our newest program in the Vietnamese language. This program is available worldwide not only on computers but also on smart phones, ipads, etc. In addition to Vietnamese, we also have the following languages available on TWR 360: English, Bengali, French, Hindi, Korean, Mandarin (4 programs), Russian, Spanish, Swahili, and Telugu.. To access these go to www.watchmenradio.org/twr360. We believe that the internet is providing us with a very effective way to reach many with the gospel. In March our programs had been accessed over 2,000 times in that one month alone.

Yet, we believe that through shortwave radio we are able to reach many unreached people especially in rural areas where the internet is not as readily available. Our shortwave radio outreach is now on Reach Beyond Australia (Formerly HCJB Asia). Through their powerful transmitters we are broadcasting six programs in the following Asian languages: Dzongkha, Hindi, Oriya, Nepali, Burmese, and Vietnamese. Thank you for your continued prayers and support for both our internet and shortwave radio outreaches with the gospel of Jesus Christ to the unreached.

Yours in His Service,
J. A. Dodson, President
