Dear Friends,

Thank you for your prayers and financial support. Your partnership in our radio ministry is helping us to reach the lost for Christ.

**“Last Saturday (Feb. 22)...I baptized 19 believers from our outreach in the mountains.” -
Pastor Ferdinand Duyaguit - Philippines**

Pastor Ferdinand writes, “Our radio broadcast is well spoken of by the people who faithfully follow our program. A week ago I met a stranger in a bus on my way to the city. We had a conversation while on the seat and I learned from him that he has been one of our listeners for a long time and that he accepted the Lord Jesus Christ through our program. He is now attending a Christian Church in the city. I am overjoyed to see this happening and truly the light now shines in this part of the world!”

A listener to our Nepali shortwave broadcast recently wrote, “I am for the first time hearing this program. I liked it so much that I am writing to you....I have recently accepted the Lord as my Savior. I got a chance to know the Lord but I want to be strong in the faith. To help me grow in the faith if you have any books, let me know....” Our Spanish Internet broadcast was listened to 7,053 times in 2013. We are now broadcasting in 17 languages on shortwave, local AM/FM, and internet. Your continued support and prayers will help us reach many more with the gospel in 2014. God bless you!
