May 2016

Dear Friends,

Thanks so much for your prayers and support. We visited three countries in Asia in March and enjoyed meeting with our coworkers and seeing their ministries firsthand. Thank you for your prayers during our trip.

India

Nepal

Philippines

In the Philippines, we visited with Pastor Ferdinand Duyaguit and his coworkers on Negros Island. I was accompanied by Aaron Poff and Wing-Kit Chung. We visited eight mission churches, participated in two live radio broadcasts, and attended the first Negros Missionary Conference (pictured above). We are helping them in several ways presently supporting mission pastors, sponsoring radio broadcasts in two languages, helping them to build places of worship and in helping them acquire funds for a service vehicle for the mountain ministry. Please prayerfully consider helping in this important ministry among the mountain people on Negros Island.

In Nepal, we visited our coworkers, Saran and Tabitha Rai who oversee our radio ministry there. They are working in several Asian languages producing gospel radio broadcasts. We visited one of the FM stations where our Nepali program is broadcast weekly. See picture above with Saran, Tabitha, and station manager Narayan Goshi at Shepherd FM. We also brought them some solar powered radios to distribute to listeners. This will be an ongoing project for them in both Nepal and Bhutan. Thank you for your prayers for their good work and prayerfully consider helping in their important ministry of proclaiming the gospel through radio broadcasting.

In India, we visited our coworker, Pastor Samson Roberts and his wife Raji. We enjoyed a good week there preaching in his church nightly and participating in open air gospel meetings in the villages. (See picture above.) I was accompanied there by Ernie Gentry from North Carolina. Pastor Roberts would like to send out a hundred missionaries per year into India to preach the gospel. He has already planted over a hundred churches. We work with him to broadcast gospel radio programs in six major languages of India and want to help him more in his church planting ministry. Thank you for your prayers for our India ministry and ask the Lord how you might help in this outreach.

If you would like to help us in any of the above ministries or other outreaches we have, please visit our website at www.watchmenradio.org/donate2.htm to see how you can donate to our ministry.

God bless you!

Yours in His Service,

J. A. Dodson, President
