Help us to seek out and find lost sheep

We produce gospel radio programs in various languages for shortwave, AM/FM, and internet broadcasts. We also help our coworkers in church planting and in training of missionary/pastors. Thank you for your help on any of the needs below:

Bible College in India - Our coworkers in India are restarting their Bible College this month. Due to storm damage in recent years the Bible College stopped its training classes. Once it restarts, their goal is to train and send out 100 missionaries per year. The need now is funds to repair this building. Estimated cost \$3000 _____

Building Fund for the Philippine Ministry – There are now five churches or missions that need help on their buildings. Some are smaller than others and the amounts vary for each mission or church. The needs range from \$500 - \$1000 to purchase a lot to \$1500 for a building. Some of these have been damaged by storm and need to rebuild a better structure. Total Need \$8500 _____

Cebu Radio Broadcast – We are in urgent need of \$300 per month to purchase radio time for a gospel radio broadcast on Cebu Island in the Philippines. This broadcast would reach Danao and the eight villages north of the city. Pastor Bennie who lives in Danao will be the speaker on the broadcast. His church is the only evangelical church in Danao and the area north of the city. The broadcast would also reach the rest of Cebu Island. _____

Solar Powered Radios – When we were in Nepal we helped to hand out many solar powered radios to radio listeners. These can be used anywhere. No need for electricity or battery. They are run by the sun! Our gospel programs can be heard on them at any time. Presently we are sending Nepali language radios but will also need radios in the Dzongkha and Tibetan languages for Bhutan and Tibet. We can purchase these special preprogrammed radios from Galcom International for \$15 each. We need many of these to give out. _____
